EXPERIENCE

Tech-Track Company

Peshawar

2023 - 2023

- Spearheading React.js development projects at TechTrack, crafting intuitive UIs for seamless user interactions.
- Collaborating with cross-functional teams to implement and optimize UI components in React.js for diverse web applications.
- Responsible for the end-to-end development and maintenance of front-end features, ensuring high-performance and responsive designs.
- Implementing and refining UI/UX designs in collaboration with designers, ensuring a harmonious balance between aesthetics and functionality.
- Actively participating in code reviews and providing constructive feedback to foster a culture of continuous improvement and code quality.
- Troubleshooting, debugging, and resolving issues to maintain the stability and reliability of React.js applications.
- Staying abreast of industry trends and emerging technologies to incorporate best practices and innovative solutions into projects.
- Collaborating with product managers to understand project requirements, timelines, and deliverables.
- Conducting knowledge-sharing sessions and workshops to enhance team skills and foster a collaborative learning environment.
- Contributing to the development of coding standards and best practices within the React.js development team at TechTrack
